

COOLER 4 SERIES

- Low noise
- Effective heat dispersion
- Pre-installed thermal grease
- Easy installation design
- Solution for system build
- Material: copper 100%
- Heat-pipes technology
- Low profile of radiator

	Q4 (1600rpm)	Q4+ (2000rpm)	Q4 A
Application	Intel® Socket 775 Core 2 Duo / Pentium D / Celeron D series		
Fan dimension	9225 mm round		
Bearing system	long life bearing long life bearing		
Rated voltage	12VDC		
Operating voltage range	10.2-13.8VDC		
Start-up voltage	6VDC(ON/OFF)
